CENTERLIZE GATKA WORK

1. **Registrations and users** : We have 7 types of Registrations/Users : (1) State (2) District (3) Training Center (4) Coach (5) Refree (6) Players (7) Volunteer
2. **Mange States and Districts** : Names of all states and districts will be default. National Admin will have the power to enable and disable states.
   2.1. The power to enable the district will be enabled by the State Administrator only after the state is enabled by the National Administrator.
   2.2. If the National Administrator disables any state then the access of all the users of that state will be disabled. Similarly, if the State Administrator disables a district then all the users of the district will be disabled.
3. **Manage Age Groups** : National Administrator will have the authority to add/edit age groups. The same groups will also be applicable to all states and districts.

   3.1. Five types of age categories will be given to add/edit age group

4. Sub-junior 2) Junior 3) Senior 4) Veteran 5) Open categories

   4.1. Three types of entitees will be given to add/edit age group

   4.2. Age Group name (under Age --)

   4.3. Age from (10yrs)

   4.4. Age up to (20yrs)

   4.5. N-admin can further change the listing position of groups.

   4.6. Age calculation date to be added/ edited only by Super admin level.

CENTERLIZE GATKA WORK

5. **Manage event Groups :** Event groups will be set by the developer on the backend as specified in the live application.

6. **Manage Registrations of players :** For registration of players, players will have to register themselves by visiting the state website, where they will select their district and their nearest training center at the time of registration.

   6.1. Registration of any player will not be confirmed until he pays his registration fee.

   6.2. Only after player registration is confirmed, the player will be given registration no. and login details will be available.

   6.3. All registered players will have to renew their registration fee annually.

7. **Manage competition :** Manage Comp. It will be similar to live applications, some additions will be made in it like,

   7.1. A selection box will be added in which there will be an option to select gender (Men's/Women's/Boy's/Girl's).

   7.2. *The gender option given above will be added to the competition name along with the selected gender (9th Punjab State **Men's** Gatka Championship 2024) also displayed at the time of players reg. in competition events. This function also help to filter the players with gender at time of reg. like in selection of tournament " 9th Punjab State Men Gatka Championship 2024 " only men list displayed for registration.

   7.3. A selection box will be added in which there will be an option to select the age category (sub-junior, junior, senior, veteran).

   7.4. Apart from this, everything else will remain the same as it is running in the live application.

CENTERLIZE GATKA WORK

8. **Manage Players Registration in tournament events :**

It will be similar to Punjab State live application, some additions will be made in it like,

8.1. The training center will work for District level competition event registration, similarly the registrations for State level competition will be done by the District, for State level only those players will be qualified who have participated in the District level competition for current Year.similarly the registrations for National level competition will be done by the States, for National level competition only those players will be qualified who have participated in the state level competition For current Year.

8.2. Some changes will be made in the design of the Reg. screen after discussion. We will have to divide the screen into two parts, in one part the list of players will be shown with search bar and in the other part the name of the player who will be selected for the event, Where counter of max/min players will be shown as per the event.

8.3. Apart from this, everything else will remain the same as it is running in the live application.

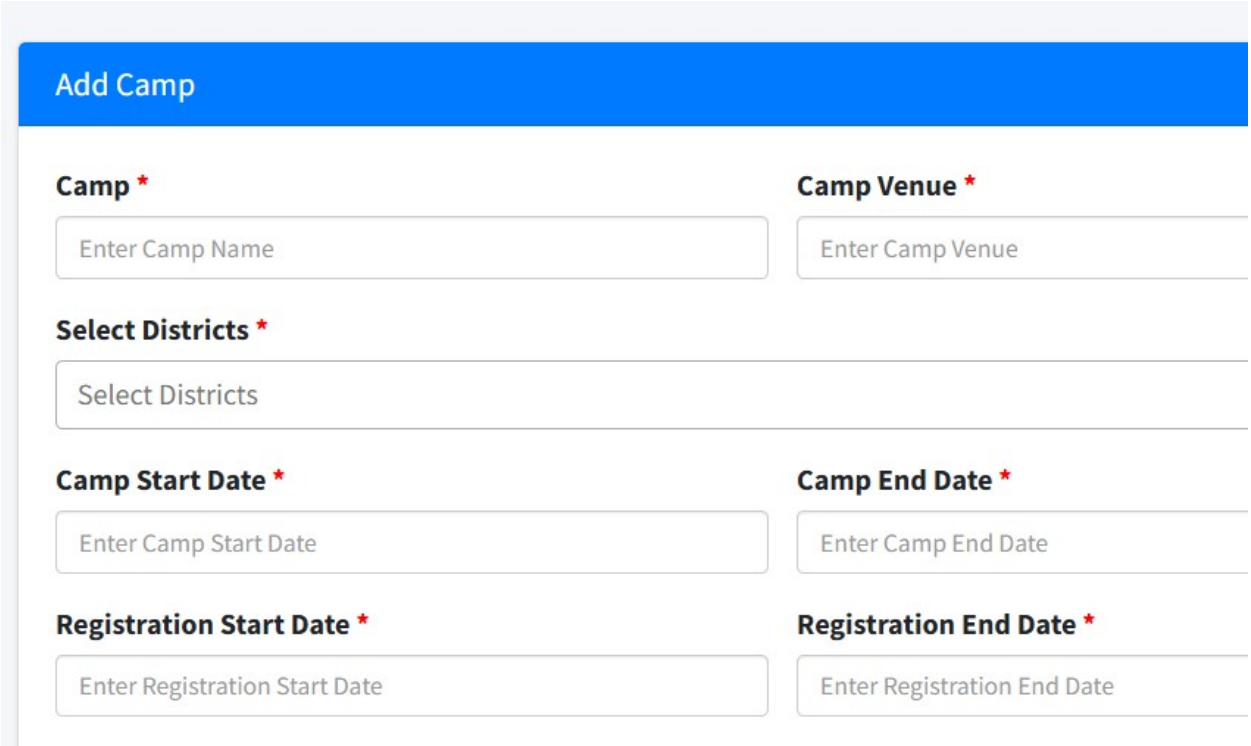
9. **Manage Camps :** Camps will be organized at the National/state/district level. Both the state and district level camps will be scheduled at their respective levels.

The fee for Camp Reg. is not yet confirmed, it is still a part of the discussion.

10. **Camp Registration :** All users like referees, Volanteer,coaches, players can register for the camp. To schedule a camp, you will be presented with the **Add Camp** menu, where you will be given the option to select which users you are going to

CENTERLIZE GATKA WORK

organize the camp for: players, Volanteer, coaches, referees, or everyone.



After completion of camp, all the camp details can be seen like Camp Info, Reg. Users Info in View Camp menue

11. Summary Sheets : There will be 2 types of summary sheets as mentioned earlier: 1 Summary Sheet 2 Age Wise Summary Sheet.
